ATTENDANCE

There has been a startling increase in the number of children arriving late and every lesson missed has a significant impact on your child's progress. As a school we want to help support with the difficulties in getting children in to school and with their after-school care.

On a morning, we offer **breakfast club**, which runs from 8.10am until the start of the school day. The price to attend is £1.50 and pupils will receive a breakfast whilst having extra opportunities to read, write, draw and spend time with friends. There are also many after-school clubs of which the information can be found at our school office or on our Facebook page.

It is crucial that your child is in school on time and is attending regularly.

UNIFORMS

We are delighted to let you know that very soon you will be able to order school uniform, online from Tesco, which will have an updated version of our school logo, as seen in the pictures below. Further information will follow but we believe that this will make the process of ordering school uniform much easier. Our school jumper will remain the same colour but will have a white stitched logo. This will then be reversed on the white P.E shirts, which will have a burgundy stitched logo.

LATEST FEEDBACK ON OUR SCHOOL DEVELOPMENT

On Tuesday 23rd January, we were visited by our School Improvement Partner Mike Turton, as well as two of our Primary Executive Headteachers, who looked at all aspects of school. It was an extremely positive visit and they noted De Lacy had super behaviour for learning in all classes, as well as seeing rapid improvements in teaching and learning for pupils.

SPORTING SUCCESS

Well done to all the children who took part in the athletics tournament! There were some fantastic performances and the teams showed excellent resilience and determination.
